<p>To preserve and enhance the visual appeal of the village</p> <ol style="list-style-type: none"> 1. To maintain a tidy environment throughout 2. Plant daffodils around the village green 3. To develop a co-ordinated design for the public space within the Conservation area 4. Attend to all the issues raised in LB of Havering Character Appraisal and Management Proposals for the village (published Feb 2007) 	<ol style="list-style-type: none"> 1-2 These are areas that the Society can work on together and in partnership with Parks & Streetcare Depts., 3. Society to work with Community, Parks, Streetcare 4. Society 	<ol style="list-style-type: none"> 1-3 Community consultations to be Undertaken (especially for point 3 4. Feedback should be made available

<ol style="list-style-type: none">5. To install lighting of a style and standard appropriate to the historic situation6. To improve the fencing along the Southern side of the roads by the village green7. To repair and later replace the railings around the Village Green8. To install security lighting near Bower Hall	5-8 Streetcare Dept.	5-8 Society to develop a realistic & achievable plan (from community consultation) to put forward to Streetcare for consideration
---	----------------------	---

<p>Notes:</p>		
<p>To discover the history of the village and make it accessible to all, to take advantage of this history visually</p> <ol style="list-style-type: none"> 1. To research the village history 2. Reconstruction of a replica ducking stool at Ducking Pond 3. Historical & educational village tours / information advise 4. To work with the planned Museum of Romford 5. To encourage and aid the public opening of the historic properties in the village 6. To revive the traditional Horseman Sunday service on the village green 	<p>1-6 Society working in partnership with Romford Museum, local historian's, community and building owners</p>	<p>1,3-6 Sub groups to be considered to lead on these areas</p> <p>2. Sue Smith & Nigel Oxley (LBH) have explained that there is no evidence of a ducking stool throughout the history of the village. Therefore, funding would not be available to replace an historical item and could lead to confusion when carrying out tours/ information giving sessions.</p>

<p>Notes:</p>		
<p>To maintain and improve the community of the village</p> <ol style="list-style-type: none"> 1. To foster neighbourliness, in particular to reduce crime 2.
